Summary Information	:	Realization of Preassessment Composition

■ DISCLOSURE:

Public Disclosure/s to be Announced: Realization of Preassessment Composition

Preassessment composition has been ensured related to the supplementary Tax Audit Reports comprising the original tax amounting to 22.569.005,-TL and the fine for loss of tax revenue amounting to 22.569.005,-TL for the fiscal term 2005, which has been served to our Company by the Revenue Controllers of the Ministry of Finance. Accordingly, the original tax and its tax have been determined as 8.000.000,-TL. The said amount, together with its default interest to be calculated based on this amount, shall be paid within one month. The amount to be paid together with the default interest is estimated as 17.200.000,-TL, and provision in this amount shall be made in our financial tables of the fiscal term 01.01.2009-31.12.2009.

We hereby declare that the foregoing explanation relies on the principles specified in the Notification with the serial number VIII and number 54 of the Capital Market Board; that the information provided to us is accurate and true and complies with our records and documents; that we have made all necessary efforts and endeavoured to ensure that information associated with the matter reflects the accuracy and truth and that we are responsible for the explanations made.

Best regards,
