Hürriyet Invest BV (HIBV), registered in the Netherlands, which is our direct affilliated company that we hold 100% of the shares available in its capital hereby resolves that it is committed that all the new share purhasing rights be used together with those new share purchasing rights that are not used, for the capital increase from USD 9.600,00 to USD 88.200,00 to be made in Trader Media East Ltd. ("TME") registered in Jersey, 78,57% shares of which are owned by Hürriyet Invest BV, on the condition that the whole capital has been subscribed in cash. Since the loan of TME will be deducted from the amount of capital increase during the capital increase in question, a substantial amount of cash outflow is not expected from HIBV (therefore our Company). You can access to announcement and notifications made with respect to the statement prepared by TEM for the capital increase in question, indicating the necessary legal permissions on corporate website of TME on www.tmeast.com and or on www.londonstockexchancge.com.
