### CORPORATE GOVERNANCE COMMITTEE RESOLUTION

DATE: 29 March 2017

RE.: Discussion and Evaluation of Corrections to  
the Annual Report for the Fiscal 1 January 2016 - 31 December 2016

In the Corporate Governance Committee meeting held on 1 March 2017, it has been stated that:

1- Upon obtaining the opinions of the executives who are responsible for the preparation of the Company's Annual Report and Corporate Governance Principles Compliance Report, a review was performed on the Annual Report for the fiscal 01 January 2016 - 31 December 2016, which was drawn up in accordance with the Turkish Commercial Code ("TCC"), Regulation on the Determination of the Minimum Content of Companies' Annual Reports published by the Ministry of Customs and Trade ("the Ministry"), and the Capital Markets Board of Turkey ("CMB") Communiqué II-14.1 on Principles of Financial Reporting in Capital Markets, and which was independently audited with respect to its conformity to the financial statements for the fiscal 1 January 2016 - 31 December 2016 and the notes thereto that have been drawn up in accordance with the provisions of applicable legislation, and also on the Corporate Governance Principles Compliance Report for the period 01 January 2016 - 31 December 2016 incorporated in the Annual Report, which was drawn up in accordance with the CMB's Corporate Governance Communiqué II-17.1, the presentation principles of which were determined as per the CMB Resolution 2/35 dated 27 January 2014 and announced by the CMB Weekly Bulletin 2014/02 dated 27 January 2014;

2- To the extent of our Committee's knowledge and the information provided to our Committee, our opinion regarding the said Annual Report and the Corporate Governance Principles Compliance Report has been submitted to the executives who are responsible for the preparation of the Annual Report and Corporate Governance Principles Compliance Report; it has been concluded that the said Annual Report and Corporate Governance Principles Compliance Report present a true view of the Company's operating results, that they do not contain any material omissions that may turn out to be misleading and that they are in conformity with the TCC, as well as the regulations of the Ministry and the CMB.

Hence, the Board of Directors passed a decision along the same lines.

It has been established that, following the said Board decision, as a result of additional checks and corrections performed by the expert employees responsible for the preparation of the Consolidated Financial Report for the fiscal 1 January 2016 - 31 December 2016 incorporated in the Annual Report, relevant executives and the Independent Audit Firm;

a) the amount under "Donations and Aid" account item under Note 27 titled "Other Operating Expenses" in the Consolidated Financial Report was erroneously entered as TL 3,202,993, and that the correct amount should have been TL 1,584,830, and the difference of TL 1,618,833 was reclassified under "Other" item in the same Note;

b) the relevant Note (Note 22) to the Consolidated Financial Report omitted, by mistake, the fact that, even for informative purposes, TL 1,779,004.44, which is the portion (75%) of "proceeds from sale of property" in the amount of TL 2,372,005.92 descended in the legal accounting records kept in accordance with the Uniform Chart of Accounts published by the T.R. Ministry of Finance, which arose from the sale of certain properties during 2016, that benefits from the exemption set out in Article 5-1/e of the Corporate Tax Law and that would be excluded from profit distribution in the fiscal 1 January 2016 - 31 December 2016 as per the tax legislation, Capital Market legislation and other applicable legislation and would be appropriated to a special fund account under liabilities;

c) the said errors committed by mistake did not change the bottom line totals in the Consolidated Financial Statement, Consolidated Change of Equity Statement and Consolidated Cash Flow Statement as a result of the adjustments made between accounts, nor did it change the Loss for the Period amount in the Consolidated Profit/Loss Table, and

d) accordingly, the Profit Distribution Table and relevant sections incorporated in the Annual Report were revised.

Within this frame, it has been concluded to the extent of our knowledge and the information provided to us that upon the adjustments made, the Annual Report presents a true view of our Company's operating results, that it does not contain any material omissions that may turn out to be misleading, and it is in conformity with the CMB regulations.
