Additional Disclosures

Pursuant to the resolution dated 03.01.2019 of our Company, it was announced by our special circumstances disclosure that, since it was understood that the shares issued representing the capital increase of TL 40,000,000 which was increased in cash, were fully sold to Demirören Medya Yatırımları Ticaret A.Ş., with their prices having been fully paid up in cash, under the conditions specified in the certificate of issuance, it was decided to inform the Capital Markets Board of the fact that the capital increase procedures have been finalized in accordance with the procedures and principles specified in the Capital Markets Law and the relevant Communiqués thereof as well as the certificate of issuance, and to and to submit to the approval of the Capital Markets Board the enclosed new article of the articles of association in relation to capital which shows our issued capital of TL 592,000,000, to be registered and announced under paragraph 7 of article 18 of the Capital Markets Law.

In this context, our application for amendment to articles of association that we have made to the Capital Markets Board on 09.01.2019, was approved by the Board on 10.01.2019.

Respectfully announced to the public and to our investors.

take a decision to increase the registered capital ceiling and to increase the issued capital by issuing registered shares up to the registered capital ceiling, in compliance with the provisions of the Capital Markets Law and the regulations of the Capital Markets Board.

The shares are issued by a decision of the Board of Directors in accordance with Turkish Commercial Code, Capital Markets Law, regulations of the Capital Markets Board and other provisions of Capital Markets Legislation.

The Board of Directors is authorized to issue shares above or under their nominal value and to take decisions restricting in part or in whole the rights of shareholders to purchase new shares. New shares cannot be issued unless the shares issued are sold in whole and their price is collected.

Shares that represent the Company's capital are monitored according to dematerialization principles.

At times when it deems necessary, the Board of Directors is authorized to take a decision to increase the registered capital ceiling and to increase the issued capital by issuing registered shares up to the registered capital ceiling, in compliance with the provisions of the Capital Markets Law and the regulations of the Capital Markets Board.

The shares are issued by a decision of the Board of Directors in accordance with Turkish Commercial Code, Capital Markets Law, regulations of the Capital Markets Board and other provisions of Capital Markets Legislation.

The Board of Directors is authorized to issue shares above or under their nominal value and to take decisions restricting in part or in whole the rights of shareholders to purchase new shares, new shares cannot be issued unless the shares issued are sold in whole and their price is collected.

Shares that represent the Company's capital are monitored according to dematerialization principles.
